SIGNATURE COCKTAILS

Our cocktail concept is inspired by five unique Japanese characters, each from a different occupation and social background. We invite our valued guests to explore each character's role and embark on a flavorful journey along the river with our five distinctive cocktails.

Maiko Mint 480

Sake Junmai | Watermelon Cordial | Fresh Mint

The Maiko embodies a rich tradition of arts honing her skills through mentorship. This cocktail reflects her elegance, featuring the smooth sweetness of sake and watermelon, complemented by refreshing mint leaves.

Samurai Honey 550

Chivas Regal Mizunara | Hojicha Tea | Wild Honey | Yuzu Juice

The Samurai transitioned from being mercenaries for the emperor to powerful clan leaders. This cocktail reflects their strength and sophistication, with a touch of honey symbolizing the delicate art of wielding power.

Shogun Sour 550

Ki No Bi Dry Gin | Shiso Sake | Wild Honey | Fresh Lime | Egg White | Yuzu Bitter

The Shogun was originally the commander-in-chief of the army, later evolving into a term for military dictatorships like feudal lords. This cocktail reflects the Shogun's complexity with a unique blend of Japanese gin and sake.

Heimin Martini 550

Daiginjo Sake | Haku Vodka | Maraschino Liqueur | Sakura Tea Cordial

Heimin represents the commoners in ancient Japanese society. This cocktail captures their essence through a complex blend of sake, vodka, and cherry blossoms, symbols of beauty and transience that resonate with the Japanese spirit.

Kazoku Highball 480

Bumbu Rum | Ginger Cordial | Fever-Tree Indian Tonic

Kazoku refers to the Japanese noble class that played a key role in restoring imperial power. This cocktail beautifully mixes the smoothness of rum with the warmth of ginger and the refreshing taste of tonic water.
